

PIAL Statement of Position

August 2, 2012

Adoption of the New Fire Suppression Rating Schedule (FSRS)

Mr. Robert Moorman, Executive Director of PIAL advised that in his opinion, a new FSRS will not be implemented in Louisiana without the prior approval of the PIAL and the Louisiana Department of Insurance. The Committee will study a plan and make recommendations to the PIAL Board of Directors whether to implement the new FSRS in whole or in part.
