RE: 2018 Report of Premiums for 2020 Assessment Purposes

Dear Member Companies:

Based upon feedback received from our member companies, PIAL has updated the Report of Premiums on our website this year to make it even more user friendly for our members.

As of April 16, 2019, the forms for the 2018 Report of Premiums are accessible through our website, www.pial.org.

The reporting form categories are now based on the NAIC line items reported on the Annual Statement – Exhibit of Premiums and Losses (Statutory page 14), Page 19.LA for Louisiana.

The available forms and instructions are found under the “Assessment” tab on the PIAL website.

- If you are reporting for a single company – Use the Report of Premiums Single Company link.
- If you are combining two or more companies – Use the Report of Premiums Group link.
(Note - Remember to list all companies in the group in the space provided on the form.)

Submission Procedures:

To ensure that both PIAL and its member companies have a copy of the completed Reports of Premiums, please follow these steps:

- Print and save the form as a PDF file to your computer.
- Submit the electronic data to PIAL via the website.

Reports are due August 31, 2019.

Premiums reported are verified by comparing them with your Annual Statement therefore you must attach Statutory page 14. If you have any questions, please contact me by email at ekoonce@pial.org or call me at 504-836-7998, or Cindy Bodden by email at cbodden@pial.org or call her at 504-836-7984.

Sincerely,

Edie Koonce
