### Reporting Premium

The member company will select [Single] if reporting for one company. When reporting with the single option, only one Annual Statement, Exhibit of Premiums and Losses (Statutory page 14) MUST be uploaded and is required before the form can be submitted.

Select the [Group] button if you are submitting your company's report of premium as a group.

**NAIC Company Num**

At this point in the process:

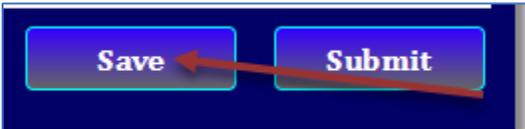

Select the [Print] button if you want a printable copy of the Report of Premium submission.

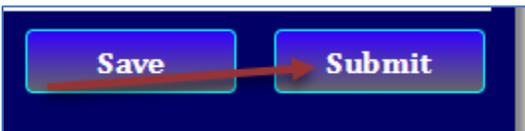

An Annual Statement (Statutory Page 14) must be uploaded for each company reported in the Report of Premium submission. Press [Attach] to search through your computer files and upload the Annual Statement.

Select the [Save] button if you would like to save the Report of Premium form, but not yet submit the form to PIAL. Saving the form will send a link to get back to the form via email notification sent to email provided.

Select the [Submit] button when the Report of Premium form is complete.

### Line of Business

The question mark on each side of the line of business listed, when pressed, will display a definition of the line of business, in relation to reporting your premium to PIAL.

From your Annual Statement (Statutory page 14), only report on the below five lines of business:

- 1.0 Fire
- 2.0 Allied Lines
- 3.0 Farmowners Multi Peril
- 4.0 Homeowners Multi Peril
- 5.1 Commercial Multi Peril
- 12.0 Earthquake

**Line of Business - Fire**

**i** Fire – Coverage protecting the insured against the loss to real or personal property from damage caused by peril of fire or lightning, including business interruption, loss of rents, etc.

Ok

**Line of Business - Commercial Farm**

**i** Commercial Farm – A commercial package policy for farming and ranching risks that includes both property and liability coverage. Coverage includes barns, stables, other farm structures and farm inland marine, such as mobile equipment and livestock. (Note: NAIC's filing code for this type of premium is 5.0006).

Farmowners – Farmowners insurance sold for personal, family, or household purposes. A package policy for farming and ranching risks, like a homeowner's policy, that has been developed for farms and ranches and includes both property and liability coverages for personal and business losses. Coverages include farm dwellings and their contents, barns, stables, other farm structures and farm inland marine, such as mobile equipment and livestock.

## Determining the Reporting Category

If you are unsure of how to report, press the **[Determine the Reporting Category]** button. A list of questions will display, and if you answer “Yes” to any of the questions, regarding each Line of Business you are reporting premium, then the amount should be reported under a **PIAL Programs**.

**If you answer "Yes" to any of these questions, in regard to each Line of Business you are reporting premium, then the amount should be reported under a PIAL Program**

1. Does your company (member company employees or agent representatives) utilize PIAL Fire Protection Classification Ratings for underwriting eligibility or premium calculations?
2. Does your company use fire jurisdiction mapping and/or fire department rating information?
3. Are PIAL building or contents loss costs (limits of insurance or non-limits of insurance versions) utilized in the pricing for any products?
4. Is the PIAL Building Code Effectiveness Grading Schedule (BCEGS) code enforcement classification system utilized?
5. Does your company utilize the PIAL GIS mapping and location risk information system in your underwriting process?
6. Does your company utilize any PIAL / ISO (Insurance Services Office) fire or allied line product line coverage forms (or any portion of the filed forms) approved by the Louisiana Department of Insurance for use in your issued policy forms?
7. Does your company utilize PIAL building sprinkler reports, underwriting reports, or loss cost survey reports in the underwriting process?
8. Does your company request PIAL support in the calculation of blanket average rates / loss costs?
9. Has your company signed up for a log-in access for member services on the PIAL website?

## PIAL Programs

If the member company uses any of PIAL services (i.e. RAPID). That includes From and Filings, PPC, Specific Rate Look up, ProSpect, or the API.

### PIAL Programs (with ISO)

If a member uses any of PIAL Programs described above in as well as ISO services (i.e. CLM, Location, PPC or Rates, Forms and filings).

## Independent Programs

Use these columns to report all premiums NOT based on PIAL rates. Columns for reporting these premiums are:

- Independent Programs (Fire and Allied Lines) - Dwelling and Farm Lines
- Independent Programs (Fire and Allied Lines) - Commercial Lines (Schedule-Rated Properties)
- Independent Programs (Fire and Allied Lines) - Commercial Lines (Class-Rated Properties)
- Independent Programs - Homeowners & Farmowners Lines
- Independent Programs - Commercial Lines (Non-ISO Members)
- Independent Programs (with ISO) - Commercial Lines (ISO Members)

### Independent Programs (with ISO)

If a member uses any of ISO services described above in conjunction with another third party vendor that provides insurance services (i.e. Forms and Filings, PPC, Specific Rate Look up, ProSpect, or the API) other than PIAL.

## Format

Each numeric field on the premium reporting page is formatted for positive and negative numbers. **Each amount MUST be rounded to the nearest thousand when reporting.**

## Reported Amounts not Subject to Assessment by PIAL

Should any portion of the amounts reported from selected line items not be subject to assessment by PIAL, select “Yes” to the question, “Should any portion of the amounts reported not be subject to assessment by PIAL?”. Once the drop-down changes to “Yes”, the button [Show Explanations] will be visible. Press the [Show Explanations] button to display a separate pop-up screen where you will enter amounts not subject to PIAL assessment under each line of business.

<i>Line of Business:</i>	<i>Amount:</i>	<i>Explanations for amounts not assessed:</i>
1.0 Fire	0	
2.1 Allied	0	
3.0 Farmowners multi-peril	0	
4.0 Homeowners multi-peril	0	
5.1 Commercial multi-peril	0	
12.0 Earthquake	0	

Explanation needed for amounts not assessed Close

If the checkbox “Explanation needed for amounts not assessed” is checked then an explanation must be entered for each amount listed for each line of business. If the amount, for each line of business, is greater than zero, an explanation must be listed in the column to the right of the line of business amount entered.

Once an explanation is entered for each line of business amount entered, the check box will display unchecked and you will need to press the [Close] button to minimize the pop-up screen.

If you need to adjust these amounts, press the [Show Explanations] button to display the pop-up screen where you will be able to adjust the amounts.

## Adjustments for Deviations to PIAL programs

If the premiums reported for PIAL programs are based on rates which deviate from those published by PIAL, select “Yes” to the question, “Do you have adjustments for deviations to PIAL programs to report?”. Once the

drop-down changes to “Yes”, the button [Enter Deviation Adjustments] will be visible. Press the [Enter Deviation Adjustments] button to be navigated to a separate screen where you will enter deviation amounts.

Upon introduction to the Deviation Adjustment page, you will see instructions on how to report these deviations.

You will return to the premium reporting screen after you enter the deviation adjustment amounts, and at any time before submission, if the amounts entered on the adjustment page need to be altered, press the [Enter Deviation Adjustments] button.

The PIAL Programs and PIAL Programs (with ISO) columns will display the amounts entered on the Premium Reporting page and these two columns are read-only columns and cannot be edited on this page. These columns can only be edited on the Premium Reporting page.
