RE: 2022 Report of Premiums for 2024 Assessment Purposes

Dear Member Companies:

The form for the 2022 Report of Premiums is accessible through our website, www.pial.org.

The reporting form categories are now based on the NAIC line items reported on the 2022 Annual Statement – Exhibit of Premiums and Losses (Statutory page 14), Page 19.LA for Louisiana.

The available forms and instructions are found under the “Assessment” tab on the PIAL website.

- If you are reporting for a single company – Use the Report of Premiums Single Company link.
- If you are combining two or more companies – Use the Report of Premiums Group link.
(Note - Remember to list all companies in the group in the space provided on the form.)

Submission Procedures:

To ensure that both PIAL and its member companies have a copy of the completed Reports of Premiums, please follow these steps:

- Print and save the form as a PDF file to your computer.
- Submit the electronic data to PIAL via the website.

Reports of Premium for 2022 are due to PIAL by May 31, 2023.

Premiums reported are verified by PIAL by comparing them with your NAIC Annual Statement; therefore, you must attach Statutory page 14. If you have any questions, please contact me by email at ekoonce@pial.org or call me at 504-836-7998, or Cindy Bodden by email at cbodden@pial.org or call her at 504-836-7984.

Sincerely,

Eddie Koonce
